Mrs. George P. Holman and Miss Ruthrauff will entertain this afternoon at a tea at the home of Mrs. Holman on Brigham street.

Mrs. Fisher Harris and Mrs. M. F. Pfoutz will entertain at a tea on the afternoon of Thursday, October 8, in honor of Mrs. Mary Parsons at the home of Mrs. Harris on Thirteenth East street.

The P. E. O. will meet this afternoon at 2 o'clock at the home of Mrs. Maxon, 2009 East Twelfth South street.

On the occasion of her birthday anniversary, Miss Charlotte Bothwell entertained about fifty guests of the younger set at a dancing party at her home on Third East street. The living room was cleared for dancing and the orchestra was stationed in the parlor, where decorations were of asparagus, ferns and pink asters. In the dining room a color scheme of yellow was carried out, and the central decoration of the table was a birthday cake with ring and candles. Punch was served by Miss Shaw and Miss Bothwell. The program was monogram cards and the included sixteen dances. The were received by the hostess.

The Farmer's Wife

Very careful about her chura. She is thoroughly after using, and gives it a bath to sweeten it. She knows that if her chura is sour it will take the taste that is made in it. The stomach is chura. In the stomach and digestive nutritive tracts are performed processes which are almost exactly like the turning of butter. Is it not apparent that if this stomach-chura is foul it makes foul all which is put into it?

The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the chura—absolutely removes every taint or corrupting element. In this way it cures blotches, rashes, eruptions, scrofulous swellings, and open eating ulcers and all humors or diseases arising from bad blood. If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, weak and easily tired, feel depressed and despondent, have frequent headaches, dry attacks, gnawing or distressing stomach, constipated or irregular bowels, sour bitter risings after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant arguments.

The best agents known to medical science for the cure of the above symptoms and conditions are as attested by the writings of the several schools of medical practice, have been skillfully and harmoniously combined in Dr. Pierce's Medical Discovery. That this is absolutely true will be readily proven to your satisfaction if you will mail a postal card request Dr. R. V. Pierce, Buffalo, N. Y., for a copy of his booklet of extracts from standard medical authorities, giving names of all the ingredients entering into his world-famed medicines and show what is the most eminent medical men of the age say of them.

SOUND CUTICURA INDISPENSABLE

Her Children—Little Girls Suffered with Itching Eczema Which Simply Covered Back of Head—Baby Had a Tender Skin, Too.

ALL PROMPTLY CURED BY "WONDERFUL OINTMENT"

Some years ago my three little girls had a very bad form of itching eruptions formed on the backs of their heads which were simply covered. Before I heard of Cuticura, I used to try almost everything, but they failed. Then my mother recommended the Cuticura Remedies. I used my children's heads with Cuticura Soap and then applied the wonderful ointment. Cuticura. I did this four or five times and I can say that they have been entirely cured. I have another little girl who is so plump that the folds of her neck were broken and even when I used Cuticura Soap and Cuticura Ointment and the next morning the trouble had disappeared. I am now the mother of a family free of any sores. I never recommend Cuticura sufficient it is indispensable in every home. I cannot find time to write more. I am Mrs. J. E. Ryder, 41 Duluth St., Montreal, Que., May 21, 1907.

PAINFUL ULCER

Foot for a Year. Healed by Two Sets of Cuticura

I had an ulcer on my foot for a year and it was very painful as it was running sore. I had a doctor, but his treatment did not heal it. About two months ago I commenced to use Cuticura Soap, Cuticura Ointment, and Cuticura Pills. I used two sets and now all healed up. Mrs. E. F. Ryder, Brewster, Mass., April 29, 1907.

HEARING DELAYED IN ANNIS MURDER CASE

NEW YORK, Oct. 2.—Evidence was today presented before a grand jury in Long Island City against Peter Hains, Jr., and T. Hains Hains, his brother, who are charged with the murder of William E. Annis.

District Attorney Darrin will base his request for an indictment upon this and other evidence. Among the witnesses before the grand jury today were Dr. Walter G. Frey, the coroner's physician, who examined the body of Annis, and Charles H. Roberts, one of the witnesses of the shooting.

District Attorney Darrin said that two of his most important witnesses had not appeared, owing to illness, and that if they did not do so today, he would withdraw the case from the jury and present it to another grand jury which will convene on Monday. Mr. Darrin has announced that he will ask that the Hains brothers be indicted jointly on a charge of murder in the first degree.

After the grand jury had heard the testimony of five witnesses, District Attorney Darrin said he would have to postpone the matter, as the two central witnesses were absent. He hoped these witnesses would be on hand Monday.

BLIZZARD IN BUTTE: SNOWFALL IS HEAVY

BUTTE, Mont., Oct. 2.—A blizzard general over this section struck Butte late last night, and six inches of snow has fallen, crippling telegraph service and delaying trains.

Should a chinook follow, floods are probable, as the fall of snow is unprecedented for this time of the year.
